THE OPPORTUNITIES AHEAD

Challenge 1: Addressing environmental concerns and creating a sustainable future.

Challenge 2: Understanding our origins.

Challenge 3: Supporting health across the human lifespan.

Challenge 4: Strengthening civil society by advancing justice, equity and social responsibility.

Challenge 5: Enhancing our world through technology.

Challenge 6: Transforming the landscape of teaching and learning.

RESEARCH CLUSTERS

Cluster 1: Big data

Cluster 2: Health technology and health solutions

Cluster 3: New materials and technology for sustainability

Cluster 4: Community-based research

SFU INNOVATES: FOUR INTERCONNECTED PILLARS

Entrepreneurship

Developing a mindset that applies creativity, adaptability and collaboration to solve problems that matter.

Social Innovation

Developing emerging leaders and solutions for a sustainable, just and healthy community.

Incubation and Acceleration

Transforming ideas made in the classroom, lab and community into ventures that scale.

Industry and Community Research Partnerships

Bridging the gap to create innovations that benefit society.

SFU: ENGAGING COMMUNITIES

COMMITMENT TO ENGAGING AND BUILDING COMMUNITIES

OUR GRADUATE STUDENTS

→ Sarah Smith
MA Candidate
Heritage Resource Management

→ Collaborating with the Nlaka'pamux Nation Tribal Council and a resource mining company, Sarah is working on using technology solutions to analyze, execute, and conduct archaeological field inventories in large project areas

→ Tara Mahoney
PhD student
Communications

→ Tara is exploring how new forms of participatory political culture can inform communication practices to empower renewable energy champions across Canada

OUR FACULTY MEMBERS

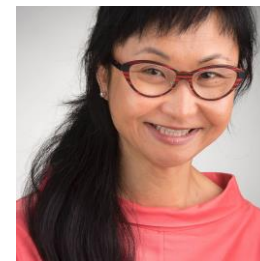

→ Gwenn Flowers
Professor
Earth Sciences

→ As a glaciologist, Dr. Flowers leads a field-based glaciological research program in Canada's Yukon aimed at understanding the role of glacier dynamics in modulating regional glacier mass balance.

→ Peter Anderson
Associate Professor
Communications

→ Dr. Anderson's research interests include telecommunication & broadcasting policy; technology; and, communication to mitigate disasters/emergency communication.

→ Wendy Chun
Professor
Communications

→ As SFU's Canada 150 Research Chair in New Media, Dr. Chun combines and mutates systems design engineering and English in her current work on digital media. Dr. Chun also leads SFU's Digital Democracies Group.

Beedie School of Business

People

Students

- 3909 Undergraduate
- 654 Graduate

89.5 Faculty (FTE)

3 Campuses

Burnaby

Surrey

Vancouver

Programs

- Bachelor of Business Administration
- Executive MBA
- EMBA in Indigenous Business & Leadership
- Full-Time MBA
- Part-Time MBA
- Management of Technology MBA
- Master of Science in Finance
- Graduate Diploma in Business Administration
- Invention to Innovation (i2I)
- Graduate Diploma in Financial Engineering
- PhD in Business Administration

Our Mission: Vision 2022

Our Calling:

We develop innovative and socially responsible business leaders with a global perspective through education, inspired by research and grounded in practice.

Pillars

- Innovation
- Social Responsibility
- Global Perspective

RADIUS

SOCIAL INNOVATION

PROJECT

GLOBE[®] 2020

Global Leadership and Organizational Behavior Effectiveness

- 122 Countries

- Key Research Questions:
 - Societal drivers of culture change
 - Relationship between national culture and trust building dynamics

SFU ADMISSION: UNDERGRADUATE

GENERAL ADMISSION REQUIREMENTS

- Complete a recognized high school curriculum
- Meet English Language requirement
 - 6.5 IELTS or 88 TOEFL total score
- Meet Quantitative Skills requirement
 - 60% or C in an approved Grade 11 or 12 Mathematics course
- Meet program-specific requirements

TUITION & LIVING COSTS

| | CDN\$ |
|--|-----------------|
| Tuition & fees (includes public transit) | \$29,300 |
| Textbook & supplies | \$2,100 |
| Single residence room with meal plan | \$10,700 |
| Medical insurance | \$850 |
| Total (CDN\$) | \$42,950 |

These costs are estimates and will vary depending on a student's course enrollment, program of study, and other variables related to their personal circumstances

FINANCIAL AID: SCHOLARSHIPS

→ Entrance scholarships

→ Grades in the 90s

→ Values range from \$10,000 up to full tuition

→ Scholarships recognize outstanding achievement. To apply:

→ Complete 12 units of standard graded courses (usual course = 3 units)

→ Be enrolled in a minimum of 12 units

→ Have a minimum GPA of 3.

For more information please see:

SFU Financial Aid and Awards www.sfu/students/financialaid/undergrad.html

FINANCIAL AID: BURSARIES

→ Supplemental funding for students with demonstrated financial need (*Note: this is not your primary source of funding*)

→ Eligibility requirements:

→ Demonstrated financial need

→ Enrolled in a minimum of 9 units of courses

→ Be in good academic standing (CGPA of 2.0)

For more information please see:

SFU Financial Aid and Awards
